

## Wascana Marsh Sensory Scavenger Hunt

### THINGS TO SEE

- A water beetle swimming
- Orange feet of a Mallard
- A spider's web
- A tree gnawed by beavers
- A snail moving
- Plant floating on the water
- White chin stripe on a Canada Goose
- The bird you hear singing

### THINGS TO FEEL

- An empty snail shell
- A dried plant seed
- Cattail fluff
- A feather
- Red bark of a Dogwood
- A jagged leaf edge
- An insect crawling on your hand
- Wet mud

### THINGS TO HEAR

- An insect buzzing
- A duck quacking
- Animal jumping in water
- Crunch of dry leaves
- Water lapping on shore
- Geese honking
- Rustle of dry grasses or cattail stalks
- Bird song

### THINGS TO SMELL

- Marsh water
- Bark of a tree
- A flower
- A rock
- A green water plant
- Damp log or branch
- A crushed fallen leaf
- Any type of grass
- The wind
